

### 3) Disclosure of Generative AI tools

A. Were generative AI tools used in the preparation of this manuscript?

B. If yes, you must disclose the use in the manuscript itself and include the following information:

- a. The full name of the tool used (with version number).
- b. How it was used.
- c. The reason for use.

C. Disclose manuscript section(s) where generative AI was used (check all that apply).
